INDICE

THE DESIGN

With over 48 years of experience, we transform ideas into engineered, industrialized products, combining style trends with practical salon use.

PROTOTYPE & MOLD

We create and test prototypes before production. Molds are designed in-house to give each product a unique character and adaptability.

MATERIALS

We select top-quality materials: curved wood, high-density polyurethane foam, premium plastics, and precision-crafted pure aluminum.

PACKAGING

Skai folders are designed in line with fashion and quality standards, crafted by hand and machine for refined, customizable finishes.

ASSEMBLY & SHIPPING

Each product is carefully hand-assembled. Packaging is designed to protect form and integrity until it reaches your salon.

CERIOTTI 100%

IL PROGETTO

Con oltre 48 anni di esperienza, trasformiamo un'idea in un prodotto ingegnerizzato e industrializzato, unendo tendenze stilistiche e praticità d'uso nel salone.

PROTOTIPO E STAMPO

Realizziamo e testiamo prototipi prima della produzione. Disegniamo internamente gli stampi per conferire carattere unico e adattabilità ai nostri prodotti.

MATERIALI

Selezioniamo materiali di alta qualità: legni curvati, schiume poliuretaniche dense, plastiche pregiate e alluminio puro lavorato con precisione.

CONFEZIONE

Colori e materiali delle cartelle skai seguono moda e qualità, lavorati a mano e a macchina per finiture curate e personalizzabili.

ASSEMBLAGGIO E IMBALLAGGIO

Ogni prodotto è assemblato a mano con cura e professionalità. Imballi studiati proteggono forma e integrità fino al tuo salone.

MADE IN ITALY

A black circular mirror is mounted on a textured, grey wall. The mirror is centered in the upper half of the frame. The wall has a rough, stone-like texture. The lighting is soft, creating a slight shadow behind the mirror.

ST9000^{PRO}

TRASFORMA OGNI LAVAGGIO IN UN RITUALE DI BENESSERE

Una carezza di vapore avvolge i capelli e calma i sensi. Il tempo rallenta, il relax prende spazio e ogni lavaggio diventa un rituale di benessere profondo.

A gentle touch of steam envelops the hair and soothes the senses. Time slows down, relaxation takes over, and every wash becomes a ritual of deep well-being.

Cod. 80002

Le molecole di vapore penetrano nella cuticola del capello meglio dell'acqua, favorendone la chiusura.

Steam molecules penetrate the hair cuticle more effectively than water, helping it to close.

Il capello assorbe più efficacemente i trattamenti idratanti, mantenendo umidità e lucentezza. Riduce secchezza e crespo, migliora l'effetto estetico e la tenuta della piega.

Hair absorbs moisturizing treatments more efficiently, maintaining hydration and shine. It reduces dryness and frizz, enhances overall appearance, and improves style hold.

Indicato anche contro forfora, seborrea e come supporto nei trattamenti anticaduta.

Also recommended for dandruff and excess sebum, it provides effective support in anti-hair loss treatments.

Dove Design e Relax si incontrano

Molto più di un semplice lavaggio: è un angolo di relax e stile, dove il design incontra il comfort.

La sua struttura avvolgente sembra quasi un abbraccio che accoglie il cliente in un momento di puro benessere.

I braccioli, decorati con un patchwork di colori vivaci e raffinati, aggiungono un tocco artistico e giocoso, rendendo il trattamento un'esperienza sensoriale.

Il lavabo nero lucido, dalle linee sinuose e moderne, riflette la luce con eleganza, mentre il pratico vassoio laterale permette di avere tutto a portata di mano, senza interrompere la magia del momento.

È un pezzo d'arredamento che racconta una storia di stile, creatività e cura per il cliente, perfetto per chi vuole distinguersi con un salone che trasmetta personalità e raffinatezza.

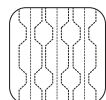

Much more than just a washing unit: it's a corner of relaxation and style, where design meets comfort.

Its enveloping structure feels almost like an embrace, welcoming the client into a moment of pure well-being.

The armrests, decorated with a patchwork of vibrant and refined colors, add an artistic and playful touch, transforming the treatment into a sensory experience.

The glossy black sink, with its smooth, modern lines, reflects the light elegantly, while the practical side tray keeps everything within reach, without interrupting the magic of the moment.

It's a piece of furniture that tells a story of style, creativity, and attention to the client, perfect for those who want to stand out with a salon that conveys personality and sophistication.
